EXPERIENCE

GlobalLogic • Remote • 09/2025 - present

Content Analyst (English / Japanese)

- Evaluated and rated 100+ LLM-generated responses to user queries per week for Google's Search Quality Team.
- Improved personal quality score by 33% over 6 months, consistently maintaining 80%+ accuracy by quickly adapting to evolving project standards and stakeholder needs.
- Led quality checks on 70+ AI model outputs per week for Gemini's Personal Intelligence feature.

Berlitz Corporation • New York, NY • 01/2025 - 05/2025

Learning Experience Designer Intern

- Created learning goals and vocabulary lists for 2 Business English units in collaboration with the instructional design team.
- Wrote 20+ scenario-based role-play prompts for the conversational practice chatbot used by 4,400+ users, with 83% of learners rating the tutor as helpful for skill development.

NYU Silver School of Social Work • New York, NY • 06/2024 - 08/2024

Educational Technologist Intern

- Developed a generative AI literacy toolkit tailored to diverse faculty proficiency levels, which was incorporated into the school's Digital Teaching Toolkit.
- Migrated 3 online courses into Brightspace LMS in adherence with WCAG accessibility standards.
- Gathered and incorporated stakeholder feedback to improve user-centered navigation.

Cornelia Connelly Middle School • New York, NY • 08/2023 - 06/2025

Teaching Fellow

- Taught math and reading/writing to a 4th grade class of 13 students while tutoring 5th and 6th grade students.
- Designed differentiated instructional materials including slides, worksheets, and assignments to meet diverse learner needs.
- Collaborated weekly with the curriculum design specialist to iterate on lessons, facilitation strategies, and student growth goals, contributing to 92% of students meeting grade-level growth goals.

Epiphany School • Boston, MA, USA • 06/2022 - 07/2023

Teaching Fellow

- Tutored math and reading/writing to a 5th grade class of 18 students while providing in-class instructional support.
- Led weekly enrichment classes in SEL, arts, and physical education for 10-20 students across 5th and 6th grade.
